PROFILE

Content creator with a thorough understanding of all production stages and a keen interest in **pre-production** as well as **post-production**. Having at least three years' experience in making **short films, promotional videos, documentaries** as well as **work experience at a TV channel**, the areas I specialise in are: **organisation** (1st Assistant Director, Producer), **camera operating** and **offline editing**. I am seeking an entry level position in any of those roles as part of a diverse, challenging, fast-paced environment where I can meet other like-minded people with whom I can share the passion for creation as well as further develop my skills.

PROJECTS

- **ONGOING – Traction (2018/2019), documentary** 
Roles: *Editor, Camera Operator*
Selected by IMechE: Formula Student for promotional use
